

**PRESS RELEASE**

**WINHELLER Advised Mesa Laboratories, Inc. on the Acquisition of BAG Health Care GmbH's Hygiene Monitoring Business**

**U.S. Company Mesa Laboratories further expands presence in Germany and Europe**

**Frankfurt/Main, 29 November 2017** – WINHELLER has successfully supported Mesa Laboratories, Inc., based in Colorado, USA, at the purchase of the Hygiene Monitoring Business of BAG Health Care GmbH in Lich, Germany. After the acquisition of Simicon GmbH in Munich in October 2017, this is the second M&A transaction for Mesa Laboratories supported by WINHELLER within a short time.

Mesa, based in Denver, Colorado, offers solutions for quality control and analysis in the pharmaceutical, healthcare, and food industry as well as work safety and environmental monitoring. Mesa offers products and services through four divisions: Sterilization and Disinfection Control, Instruments, Cold Chain Monitoring and Cold Chain Packaging.

With the acquisition of the BAG Health Care Hygiene Monitoring business Mesa strengthens its position in the German and European markets, in particular in the area of sterilization and disinfection control and in the hospital markets.

Mesa Laboratories, Inc. was advised by the following team of WINHELLER lawyers: M&A/Corporate specialist Phillipp von Raven (lead), Dr. Astrid Plantiko (tax), Thomas Schwab (corporate), Svetlana Tammer (IP) as well as Dr. Eric Uftring (employment law). This is already the third M&A deal under the lead of Phillipp von Raven since he joined WINHELLER earlier this year.
